## TECHNICAL DATA SHEET

### PRODUCT

**INDY FLEETWASH**  
Truck and Car Wash Detergent

### DESCRIPTION

INDY Fleetwash is an alkali-based cleaning agent formulated with a blend of detergents, wetting agents and selected waxes. INDY Fleetwash effectively removes oily deposits, dirt and other residue, and allowing for the cleaned component to exhibit a shiny surface finish once rinsed.

### APPLICATION

INDY Fleetwash is suitable for cleaning a wide variety of equipment, including commercial passenger vehicles and motorbikes, industrial vehicles such as trucks, buses, and other off road equipment. INDY Fleetwash can also be used to clean trailers, caravans and boats.

INDY Fleetwash can be applied by both manual and automatic methods, and is suitable for use in automatic car wash rotating brush machines.

Suggested dilution ratios:

Auto car wash rotating brush : 1:200 (INDY Fleetwash: water)

Manual cleaning : 1:100 (INDY Fleetwash: water)

For optimal cleaning, dilute INDY Fleetwash with lukewarm / tepid water.
