TECHNICAL DATA SHEET

PRODUCT

INDY FLEETWASH
Truck and Car Wash Detergent

DESCRIPTION

INDY Fleetwash contains a blend of synthetic detergents, wetting agents, corrosion inhibitors and selected waxes. It removes oily deposits, road dirt and other films, leaving a clean, shiny surface when rinsed.

APPLICATION

INDY Fleetwash is ideal for the cleaning of motors cars, truck, buses, off road equipment, bodies, trailers, caravans, boats, bikes, etc. It can be used by machine and manual applications. For use in automatic car wash rotating brush machines, dilute 1-part to 200-parts water.

For normal manual cleaning, dilute 1-part to 100-parts water. Dissolve the required amount of INDY Fleetwash in a bucket of water, preferably luke warm. Use a sponge or cloth to apply onto the surface to be cleaned. Then rinse with tap water, and dry using a soft clean dry cloth.
