TECHNICAL DATA SHEET

PRODUCT

INDY PHARMEX BP
Industrial White Oils

DESCRIPTION

Indy Pharmex BP oils are a range of highly refined white mineral oils that contain both saturated aliphatic and alicyclic, non-polar hydrocarbons. Indy Pharmex BP oils are refined to be chemically and biologically stable, and are colourless, odourless and tasteless.

APPLICATION

Indy Pharmex BP oils are suitable for use in industrial and packaging applications including preparation of plasticizers. This product is not suitable for food grade or pharmaceutical applications.
