## TECHNICAL DATA SHEET

### PRODUCT

**INDY WHITE OIL 22**  
White Oil

### DESCRIPTION

Indy White Oil 22 is a highly refined cosmetic grade white oil refined from hydro treated base oil and is water white in colour. It is odourless and has no specific sulphurous or paraffin odour when heated.

### APPLICATION

Indy White Oil 22 has good oxidation stability, good demulsibility and a long service life. This oil is suitable for use in processes requiring clear white oils, excluding food grade and pharmaceutical grade applications. It finds extensive usage in textile processing, incense & perfume manufacture, plastic, paper and cosmetic industries, several oil based formulations, hair oils, hair lotions, shoe polish and petroleum jelly manufacturing industries.
