

TECHNICAL DATA SHEET

PRODUCT

INDY 500 Degreaser
Solvent-Based Degreaser

DESCRIPTION

INDY 500 Degreaser is a solvent-based cleaner and degreaser suitable for heavy-duty applications. INDY 500 degreaser is formulated using a hydrocarbon solvent to effectively remove dirt, oil, grease and heavy grime from a variety of painted and unpainted surfaces.

APPLICATION

INDY 500 Degreaser can be used to clean metal, stone, concrete and other painted surfaces, and is suitable for use in the cleaning of tanks, bilges and machinery components. INDY 500 Degreaser can be applied to a cool surface either by spray or brush, and washed off with water after the cleaning process is complete.

STORAGE CONDITIONS

INDY 500 Degreaser should be kept in a cool, dry, well-ventilated environment, in a closed container. INDY 500 Degreaser is flammable, and should not be kept on or near sources of heat, ignition, strong oxidizing material and open flames.

PACK SIZES

210L, 20L, 4*5L
