

PRODUCT

INDY WASH & WAX
All-in-one Washing and Waxing Compound

DESCRIPTION

INDY Wash & Wax contains a blend of synthetic detergents, wetting agents, corrosion inhibitors and selected waxes. It removes oily soil deposits, road dirt and other film, leaving a clean, shiny surface when rinsed. It eliminates streaks. INDY Wash & Wax is ideal for the cleaning of motor cars, trucks, bus, bodies, trailers, caravans, boats, bikes etc.

APPLICATION

INDY Wash & Wax can be used in machine and manual applications. For use in automatic car wash rotating brush machines, dilute 1-part to 200-parts of water. For normal manual cleaning, dilute 1-part to 100-parts of water.
