PRODUCT

INDY SCOURDET
Detergent for Hard Surfaces

DESCRIPTION

INDY Scourdet is a hard surface cleaner with an active ammonia basis.

APPLICATION

For general cleaning:

Dilute 40-50 ml in 1 litre of water. No rinsing is necessary.

For hard dirt, pour concentrated INDY Scourdet onto soiled area, allow 10-15 minutes reaction time then wipe with a damp cloth.

Deeply soiled areas may require some scrubbing of the surface.
