

## TECHNICAL DATA SHEET

### PRODUCT

**INDY SANI BOWL**  
Toilet Bowl Cleaner

### DESCRIPTION

INDY Sani Bowl is an acid based liquid toilet bowl cleaner that contains hydrochloric acid.

### APPLICATION

Apply the product and allow to react for 20 minutes, then flush with cold water. For heavily stained toilet bowls, scrubbing with a soft brush may be required.

INDY Sani Bowl may be corrosive to mild steel, galvanized, tin and copper and to a slight degree aluminum, if prolonged contact is allowed.

INDY Sani Bowl contains acids. Harmful if swallowed. Avoid contact with skin and eyes. In case of accidental contact with eyes or skin, flush with water.
