

TECHNICAL DATA SHEET

PRODUCT

INDY POWER X
Alkaline Liquid Detergent

DESCRIPTION

INDY Power X is a concentrated industrial alkaline liquid detergent for the cleaning of soiled surfaces. It will effectively remove oil, grease and grime from floors, paving, concrete, etc.

APPLICATION

For heavy contamination

- Do not dilute
- Apply directly to the contaminated area, scrubbing with a stiff brush or broom
- Leave for at least 5 minutes and up to 20 minutes to react
- Hose or splash water onto the area, and scrub
- Rinse off with clean water
- If any contamination remains, repeat the process with 2 parts INDY Power X to 1 parts water

For light contamination: Follow the process above using 2 parts INDY Power X to 1 part water.
