

## TECHNICAL DATA SHEET

### PRODUCT

**INDY ENDURANCE 5W30**  
**Full Synthetic Diesel Engine Oil**

### DESCRIPTION

INDY Endurance 5W30 is a high performance, premium motor oil formulated with uniquely blended additives and synthetic base material to provide exceptional performance in terms of wear protection and detergency in new generation passenger car engines. INDY Endurance 5W30 is made with an advanced synthetic formula that prevents deposits and sludge build-up for longer engine life, as well as having enhanced frictional properties that reduce wear and promotes fuel economy. The propriety blend of additives and synthetic base material allow INDY Endurance 5W30 to offer the following benefits:

- A lower fuel consumption
- Low SAPS content
- Suitable for modern catalysts
- A fast cold start
- A safe lubrication film at high temperatures
- Extended oil drain intervals
- Excellent detergency and dispersion
- Enhanced protection against wear, corrosion and foaming

### APPLICATION

This universal, fuel economy, specially formulated motor oil, is recommended for use in all types of modern vehicles (petrol and diesel engines), with or without turbo-charging, and in passenger cars and delivery vans with extended oil drain intervals. This motor oil also contributes to the extension of product for the latest VW 504.00/507.00 requirements, in practice also called VW Longlife III oils.

### TECHNICAL CHARACTERISTICS

API: SN/CF

ACEA C3 MB 229.51 BMW LL-04

Porsche C30 (pending)

VW 504 00 / 507 00 (Formal Approval)

SAE Grade		5W30	
Density at 20°C	kg.m <sup>-3</sup>	850	(typical)
Viscosity at 40°C	(cSt)	69.20	(typical)
Viscosity at 100°C	(cSt)	12.00	(typical)
Viscosity Index		171	

### PACK SIZES
