

## TECHNICAL DATA SHEET

### PRODUCT

### INDY MARINE OIL 40 Marine Diesel Engine Oil

### DESCRIPTION

INDY Marine Oil 40 is a premium grade, heavy duty marine crankcase oil, designed specifically for use in higher sulphur fuel where longer drain intervals are required. INDY Marine Oil 40 is blended using high quality virgin base oils and additive packages to provide excellent detergency and oxidation resistance. INDY Marine Oil 40 is designed with combined cylinder and crankcase lubrication, or separate cylinder lubrication supplementing crankcase splash lubrication. The high alkalinity of INDY Marine Oil 40 aids in protecting components from corrosive by-products of fuel combustion.

### APPLICATION

INDY Marine Oil 40 is suitable for use in marine crankcase systems requiring an API CF-4 specification. Note that INDY Marine Oil 40 is not suitable for use in engines fitted with silver piston-pin bearings.

### TECHNICAL CHARACTERISTICS

ISO Grade		40	
Density at 20°C	kg.m <sup>-3</sup>	890	
Viscosity at 40°C	cSt	150	(typical)
Viscosity at 100°C	cSt	15	(typical)

### PACK SIZES

210 L / 20 L

Revision 3: 31 March 2017     Durban Head Office: + 27 31 910 3111  
+ 27 60 572 8088

Pietermaritzburg: + 27 33 392 9300
