

PRODUCT

INDY MONOGRADE Premium Motor Oil

DESCRIPTION

INDY Monograde engine oils are blended from base oils that have been fortified with the latest additive technology incorporating anti-wear, anti-oxidant and corrosion inhibition functionalities. INDY Monograde oils are formulated for use in petrol engines, including those having turbo-charged and multivalve cylinder heads, as well as diesel engines operating under mild service conditions. The additive technology incorporated into INDY Monograde ensures that the product provides high performance levels and a long service life.

APPLICATION

INDY Monograde premium motor oils are suitable for use in all petrol and diesel engines requiring API SG/CF specifications.
