

PRODUCT

INDY ULTRATEC 5W40

Full synthetic motor oil

DESCRIPTION

INDY ULTRATEC 5W40 is a synthetic based engine oil specially designed for use in high performance petrol engines. It is formulated with superior additive technology which boosts performance, provides enhanced detergency and stay-in-grade viscometrics. It is recommended for all high performance, high revving, turbo charged and supercharged multivalve fuel injected petrol engines found in modern passenger cars and SUVs.

The propriety blend of additives and synthetic base material allow INDY ULTRATEC 5W40 to offer the following benefits:

- A lower fuel consumption
- A fast cold start
- A safe lubrication film at high temperatures
- Extended oil drain intervals
- Excellent detergency and dispersion
- Enhanced protection against wear, corrosion and foaming

APPLICATION

INDY ULTRATEC 5W40 is recommended for all high performance, high revving, turbo charged and supercharged multi-valve fuel injected petrol engines found in modern passenger cars and SUVs.
