

TECHNICAL DATA SHEET

PRODUCT

INDY APEX 15W40
Petrol Engine Oil

DESCRIPTION

INDY APEX is an SAE 15W40 grade high performance petrol engine oil specially formulated with advanced additive technology to comply with API SN specifications. INDY APEX can also be used in API CF diesel engine applications. INDY APEX is blended from paraffinic base oils and additives incorporating anti-wear, detergency and corrosion inhibition functionalities. The high detergency levels ensure that INDY APEX protects against sludging and provides maximum engine cleanliness. INDY APEX is formulated to provide excellent stay-in-grade viscometrics even when operating under severe conditions, excellent corrosion protection even with high sulphur levels, a high level of wear protection and bore polishing resistance.

APPLICATION

INDY APEX is suitable for use in long-service conditions in both turbo-charged and normally aspirated heavy duty engines.

TECHNICAL CHARACTERISTICS

API SN/CF
ACEA A3/B4
