

**WORLD CLASS LUBRICANTS**

## INDY MONOGRADE SAE 40 CLASSIC

## TECHNICAL DATA SHEET

### Application

- ❖ High performance engine oil specially formulated with advanced additive technology.
- ❖ Suitable for Modern Petrol & Diesel engines.
- ❖ Suitable for use in a wide variety of engines.

### Features & benefits

#### ❖ Refined Engine Cleanliness

Developed for modern petrol and diesel engines, A range of monograde engine oils blended from paraffinic base oils and additive packages that incorporate anti-wear, anti-oxidant and detergency properties.

#### ❖ Advanced Engine Protection

They provide excellent deposit, oxidation, wear and corrosion control in both petrol and diesel engines.

### Suitable for use for the following specifications:

- ✓ **DIESEL** – API SF, API CD
- ✓ **MB Approval 228.31**
- ✓ **ACEA E9-16 (2016)**
- ✓ Renault Trucks RDL-4
- ✓ Detroit Diesel DFS93K222
- ✓ **Mack EO-S 4.5**
- ✓ **Volvo VDS 4.5**
- ✓ JASO DH-2
- ✓ Deutz DQC III-10 LA
- ✓ **Global DHD 1**
- ✓ Ford WSS-M2C171-F1
- ✓ CAT ECF-3
- ✓ MTU Type 2.1
- ✓ **Cummins CES 20086**

### Physical Characteristics:

Properties		SAE 40
Density @20°C	kg.m-3	890
Viscosity @40°C	(cSt)	128.93
Viscosity @100°C	(cSt)	14.52
Viscosity Index		112.8

### Available Product Pack Sizes:

Part No.	Pack Size
OIL-00241	1000L
OIL-00242	210L
OIL-00244	20L
