

WORLD CLASS LUBRICANTS

TECHNICAL DATA SHEET

PRODUCT

INDY CHAIN LUBE Chain Lubricant

DESCRIPTION

INDY Chain Lube is a synthetic lubricant designed to penetrate deep into chain rollers to displace moisture, prevent rust and provide superior lubrication.

APPLICATION

INDY Chain Lube is supplied in handy aerosol cans for ease of use. A thin layer is sprayed onto the chain and allowed to penetrate before the chain is run. Its ultra high tendency to adhere to metal parts will resist the product being thrown off by centrifugal force. INDY Chain Lube is suitable for use on motorcycles, forklifts and other typical applications.

PACK SIZES

12*350ml Aerosol
