

TECHNICAL DATA SHEET

PRODUCT

INDY AGRIMAX UTTO 10W30
Premium Universal Tractor Transmission Oil

DESCRIPTION

Indy AgriMax UTTO 10W30 is a high-performance universal tractor transmission fluid designed to provide superior protection against wear and corrosion across a wide range of applications, including all tractor types, combine harvesters, crop sprayers, and selected construction and materials handling equipment. Indy AgriMax UTTO 10W30 contains highly-engineered additive technology that provides balanced performance to address the needs of the drivetrain and hydraulic systems. Indy AgriMax UTTO 10W30 is formulated to have an optimized friction system that provides good lock-up and holding capacity for clutches in transmission and Power Take-Off (PTO) systems, suppression of wet brake noise, as well as robust thermal and oxidative stability for prevention of oil thickening and protection of critical components.

APPLICATION

Indy AgriMax UTTO 10W30 is suitable for use in all transmissions, wet brakes and hydraulics of farm tractors, associated earth-moving equipment and materials handling equipment.

TECHNICAL CHARACTERISTICS

Allison C4	API GL-4	Deutz-Fahr	Kubota UDT
AGCO Powerfluid 821XL	John Deere JDM J20C, J20D	Komatsu	Landini
Massey Ferguson CMS 1135	Massey Ferguson CMS 1141	CNH MAT 3525 (FNHA-2-C-201.00)	
SAE Grade	10W30		
Density @ 20°C	kg.m ⁻³	860	(typical)
Viscosity at 40°C	(cSt)	83.7	(typical)
Viscosity at 100°C	(cSt)	12.2	(typical)
Viscosity Index		140	(minimum)

PACK SIZES

210L, 20L

Revision 1: 10 April 2019
