

500 DEGREASER

Product description

Indy 500 Degreaser is a powerful, fast-acting cleaning solution formulated for the removal of grease, oil, lubricants, dirt and other heavy-duty industrial contaminants from metal and other solvent-compatible surfaces. Its effective solvent system rapidly penetrates and dissolves stubborn deposits, leaving surfaces clean and free from oily residues.

Available Product Pack Sizes:

Part No.	Pack Size
C-0010	210L
C-0011	20L
C-0012	4*5L
C-0013	20*500mL

Application

- Suitable for industrial machinery, engines, mechanical components, workshop equipment, tools and maintenance applications
- Formulated using a hydrocarbon solvent to effectively remove dirt, oil, grease and heavy grime from a variety of painted and unpainted surfaces.
- Can be used to clean metal, stone, concrete and other painted surfaces, and is suitable for use in the cleaning of tanks, bilges and machinery components.
- Can be applied to a cool surface either by spray or brush, and washed off with water after the cleaning process is complete

STORAGE CONDITIONS

- Should be kept in a cool, dry, well-ventilated environment, in a closed container
- Flammable liquid that should not be kept on or near sources of heat, ignition, strong oxidizing material and open flames.
