

ELECTRO CLEANER

Product description

Indy Electro Cleaner is a solvent blend for cold cleaning of electrical components. The product is fast drying and evaporates completely, leaving a clean, dry surface.

Application

- Best used for cleaning oil, grease or wax deposits on electrical equipment surfaces.
- Best applied by brushing, spraying or immersion. Ultrasonic cleaning may be required for heavily soiled components.

Features & benefits

- Non-toxic and is formulated with non-flash components.
- Readily dissolves oils, greases or waxy deposits while leaving the underlying varnishes and/or paints, unaffected
