

ENDURANCE 5W-30

Product description

Indy Endurance 5W-30 is a high performance, premium motor oil formulated with uniquely blended additives and synthetic base material to provide exceptional performance in terms of wear protection and detergency in new generation passenger car engines.

Application

- High performance, premium motor oil formulated with uniquely blended additives and synthetic base material to provide exceptional performance in terms of wear protection and detergency in new generation passenger car engines.
- Indy Endurance 5W-30 is made with an advanced synthetic formula that prevents deposits and sludge build-up for longer engine life, as well as having enhanced frictional properties that reduce wear and promotes fuel economy.
- This motor oil also contributes to the extension of product for the VW 504.00/507.00 requirement, also called VW Long-life III oils.

Features & benefits

- A lower fuel consumption
- Low SAPS content-suitable for vehicles that are fitted with after treatment devices (DPFs)
- Suitable for modern catalysts
- A fast cold start
- A safe lubrication film at high temperatures
- Extended oil drain intervals
- Excellent detergency and dispersion
- Enhanced protection against wear, corrosion and foaming

Suitable for use for the following specifications:

- ✓ API SP
- ✓ ACEA C3-16 (2016)
- ✓ VW 504.00
- ✓ VW 507.00
- ✓ Porsche C30
- ✓ BMW Longlife-04
- ✓ MB 229.52
- ✓ MB 229.51
- ✓ MB 229.31

Physical Characteristics:

Properties		5W-30
Density @20°C	$kg.m^{-3}$	850
Viscosity @40°C	(cSt)	69.20
Viscosity @100°C	(cSt)	12.00
Viscosity Index		171

Available Product Pack Sizes:

Part No.	Pack Size
OIL-00131	210L
OIL-00132	20L
OIL-00133	4*5L
OIL-00134	12*1L
