

# INDY

## TECHNICAL DATA SHEET

## INDY DIESEL INJECTOR CLEANER

### Application

- ❖ Solvent-based detergent concentrate designed for diesel injector systems.
- ❖ Suitable for use in both single and multiport injector systems, as well as on commercial passenger and heavy duty vehicles, excluding those with Diesel Particulate Filters (DPFs).
- ❖ Directions for use:  
Shake well before use.  
For clean-up of fuel injector system: Pour one bottle of INDY Injector Cleaner (Diesel) directly into the fuel tank containing a full tank of fuel. Drive until fuel tank is almost empty before refuelling. One bottle of INDY Injector Cleaner (Diesel) treats up to 75 L of fuel.
- ❖ For maintaining cleanliness: Pour one bottle of INDY Injector Cleaner (Diesel) into a full fuel tank. Repeat every 20000 – 30000 km.

### Features & benefits:

- ❖ **Advanced Protection**  
Functions to control deposits on fuel injectors, control water-contaminated fuel and reduce sludge build-up. The active ingredients stabilise fuel injection, reduces typical “fouled injector” problems like rough idling, frequent stalling at idle, poor fuel consumption, loss of power, and helps to improve overall fuel economy.

### Physical Characteristics:

| Properties      |                    |      |
|-----------------|--------------------|------|
| Appearance      | liquid             | Blue |
| Density @20°C   | kg.m <sup>-3</sup> | 860  |
| Viscosity @40°C | (cSt)              | 13.3 |

### Available Product Pack Sizes:

| Part No. | Pack Size |
|----------|-----------|
| C-0141   | 12*250mL  |
