

PR-8 PENETRATING OIL

Product description

Indy PR-8 Penetrating Oil is a multi-purpose lubricant designed for use in household, automotive, marine and industrial applications.

Application

- Suitable for use in the following applications:
  - Displacement of water on ignition systems.
  - Repelling water from outboard motors
  - Protection of tools, door locks, etc.
  - Loosening of residue in rusted bolts.
  - Short-term rust prevention.

Features & benefits:

- **Advanced Protection**
  Formulated to penetrate into metal surfaces to prevent rust and displace moisture. Low surface tension allows for it to flow smoothly and penetrate tight crevices.

Physical Characteristics:
